TORONTO, ON, September 3, 2026 - Pool Safe Inc. ("**Pool Safe**" or the "**Company**") (TSXV: **POOL**) is pleased to announce the appointment of David E. Deacon as the Company's Chief Executive Officer.

In addition, the Company announces the adoption of semi-annual financial reporting ("SAR"). This press release is being issued and filed pursuant to Coordinated Blanket Order 51-933 Exemptions to Permit Semi-Annual Reporting for Certain Venture Issuers ("CBO 51-933").

CBO 51-933 allows eligible venture issuers to voluntarily move from a quarterly to a semi-annual financial reporting framework. By adopting SAR, Pool Safe aims to reduce the administrative and financial burden associated with quarterly reporting, allowing management to focus its resources on the Company's operating business.

As a result of adopting SAR, the Company will not file interim financial statements and related Management's Discussion and Analysis ("MD&A") for the three-month period ending March 31 and the nine-month period ending September 30 of each applicable fiscal year. Accordingly, the initial interim period for which the Company does not intend to file an interim financial report and related MD&A will be for the nine months ended September 30, 2026.

The Company will continue to file audited annual financial statements (due within 120 days of December 31) and six-month interim financial reports and related MD&A (due within 60 days of June 30). The Company remains committed to timely and transparent disclosure and will continue to report all material changes and significant developments as required under National Instrument 51-102 – Continuous Disclosure Obligations.
